The Board of Management trusts that by so doing parents will be assisted in relation to enrolment matters. The Chairperson of the Board of Management and the Principal Teacher will be happy to clarify any further matters arising from the Policy.

Cuan na Gaillimhe CNS operates under the Rules for National Schools, The Education Act (1998), The Education Welfare Act (2000), enacted sections of The Education of Persons with Special Education Needs Act (2004), all relevant equality legislation and Department of Education and Skills (DES) Circulars.

In this policy the term parent includes guardians, adoptive and Foster Parents and any adult deemed to be in loco parentis.

2 INTRODUCTION/RATIONALE

It opened its doors in September 2015 starting with Junior Infants and growing by one class each year. The school operates within the regulations laid down by the Department of Education and Science and depends on the grants and teacher resources provided by the DES. The school follows the curriculum as prescribed by the DES.

Within the context and parameters of the DES regulations and programmes, the rights and responsibilities of the patron as set out in the Education Act and the funding and resources available, the school supports the principles of:

- Inclusiveness, particularly with reference to the enrolment of children with a disability or other educational need;
- Equality of access and participation in the school
- Parental choice in relation to enrolment
- Respect for the diversity of values, beliefs, traditions, languages and ways of life in society.

The school day starts at 9:10 am and finishes at 1.50pm for the infant classroom and at 2:50pm from 1st class on.

3 ENROLMENT PROCEDURE

We welcome the enrolment of potential pupils to our school without distinction of gender, creed, ethnic origin, social or economic background, disability or other special educational need. We consider all applicants in order of application on a 'first come first served basis' as vacancies arise in taking into account the criteria listed below and depending on the needs of the child (see Enrolment of Special Needs children, below.)

4 DECISION MAKING

Decisions in relation to applications are guided by the principles of natural justice and acting in the best interest of all children, and are made by the Board of Management in accordance with the school policy.

The Board of Management of Cuan na Gaillimhe CNS, in its Enrolment Policy, respects the rights of the existing school community and the children already enrolled. Consequently, the Board of Management reserves the right to determine the maximum number of children in each class, bearing in mind:

- Health & Safety Concerns regarding Staff and Children
- Available classroom space
- Multi-grade classes
- Educational needs of the children
- Presence of children with special needs
- Department of Education & Science class size directives
- Appropriate Supports and Resources are available
- Time of school year
- Any other facts that the Board or its delegated authority consider relevant and appropriate

For the school year 2020/2021, the Board of Management has set a limit of 34 pupils for a combined 1st to 4th multiclass.

- This criteria will be reviewed by the Board of Management annually.

5 PROCEDURES – APPLICATION & ENROLMENT CRITERIA

Admission to the school is, of course, subject to the resources available to the school including classroom accommodation, class size, teaching resources and financial resources, and subject to the capacity of the school to provide for the needs of those who apply for admission. Where the school lacks the necessary resources to meet the needs of any applicant or student, it will make every effort to secure those resources-where the resources cannot be secured, the school reserves the unfettered right to refuse admission.

The Board of Management reserves the right to refuse enrolment in exceptional circumstances i.e. in the opinion of the Board of Management, the pupil poses an unacceptable risk to the other pupils,

school staff and/or school property. It is the responsibility of parents / guardians of any child to inform the school of any such needs on the enrolment application form for the child's own welfare. In this context the school authorities will have equal regard for the welfare of all the students and their right to an education in an atmosphere that is not detrimental to their physical, emotional, moral, social or intellectual development. Failure to fully complete the application form, failure to supply any relevant information requested by the school or failure to make reasonable arrangements to meet with the school authorities to discuss the application may result in a child being refused admission to the school.

The BOM reserve the right to refuse enrolment of transfers from other schools in the case where a child has been suspended or expelled if it is deemed that he/she would pose an unacceptable risk to other pupils, school staff and or school property. A written refusal will be issued.

5.1 APPLICATION ADMISSION

- Pre-enrolment forms are available from the school office (email info@galwaysteinerschool.com) or online at <https://galwaysteinerschool.com/enrol/>
- Provided there is space and the necessary facilities for the child (as in the case of children with special needs) and the criteria for decision making has been satisfied, the child's parents will then complete the Application Form.
- Failure to fully complete forms will result in refusal to admit the applicant
- The behaviour record of a student in their previous school/preschool shall be considered
- The attendance record of a student in their previous school/preschool shall be considered
- Accepted offers must be returned along with confirmation from the parents that they shall make all reasonable efforts to ensure compliance with the Code of Behaviour by the child as well as a copy of all assessments relating to the child's development and/or needs if applicable.

The Application Form shall contain the following information:

- (i) The name and address of the child
- (ii) The date of birth and gender of the child
- (iii) The names, addresses and contact numbers of the parents/guardians
- (iv) The PPS number of the child

- (vii) An original copy of the state birth certificate of the child shall be appended to the application. This will be copied and the original returned.
- (viii) All school reports and relevant data including any information regarding special needs.

An incomplete or inaccurate enrolment form constitutes an invalid enrolment application.

It is a requirement that the Board of Management receives information from the school from which the pupil has departed in regard to attendance and educational progress, behaviour and particular needs if necessary in accordance with the Educational Welfare Act 2000. The Board through the principal will inform the previous school of the child's enrolment.

Parents/Guardians of children enrolled in Junior Infants will be invited to a meeting in the school and their child will be invited to a 'Meet & Greet' in May each year.

5.2 PUPILS TRANSFERRING FROM ANOTHER SCHOOL

In keeping with the Education Welfare Act 2000, a parent may transfer his/her child from one National School to another, at any time of the year, either with the consent of the Minister or when the transfer is made because of a change in the ordinary residence of the child. This is also subject to school policy and available space. When the application for enrolment is made the Principal shall ascertain from the parent whether the pupil was previously enrolled in another National School. In order to assess the needs of the child, the principal will seek all reports relating to that child from the principal of the school where the child previously attended. Parents are asked to give their permission to the principal of Cuan na Gaillimhe CNS to seek such information on the enrolment application form.

Exceptions can be considered but only after the principal meets with the parents/guardians and the child. However, under the Education Act 1998, a child may not be allowed to attend or be enrolled in a primary school before the 4th anniversary of his/her birth.

This criteria will be reviewed by the Board of Management bi-annually.

5.4 GENERAL PROVISIONS

1. This policy shall be implemented and govern all allocations of places in Cuan na Gaillimhe CNS.
2. In the event of a child not being in a position to take a place offered in the school and the Board of Management accept that the reason is such that special consideration should be given, then the child's parents or guardians shall be offered the opportunity of leaving the child on a list and priority in relation to future applications for placement shall be given to that child, providing the child makes an application and there is such an appropriate place available. This list shall be kept in the school and shall be known as a "priority list". Without prejudice to the generality of the foregoing, incapacity by way of illness shall be considered to be such an appropriate criterion.
3. Parents who accept a place for their child in Cuan na Gaillimhe CNS should not accept an offer of a place in another Galway school and if they have already done so they must notify that school immediately of their change of mind, forfeiting the place in that school.

5.5 EXCEPTIONS TO FIRST COME, FIRST SERVED RULE

Children applying for places who have siblings already in the school will be facilitated within the limits stated above and depending on the needs of the child (see Enrolment of Special Needs)

Children of permanent staff working in the school and applying for places will be facilitated per conditions below and keeping within the limits stated above and depending on the needs of the child (see Enrolment of Special Needs children, below).

Children of permanent school staff have a right of entry provided the pre-enrolment form has been completed in respect of the child prior to its first birthday.

In the event of newly appointed staff, whose children do not qualify under this exception, the application for priority must be accepted by the Board of Management or its delegated authority.

5.6 ENROLMENT OF CHILDREN WITH SPECIAL NEEDS

The criteria used in decision making with regard to enrolment apply to all children including children with special needs. No child will be refused enrolment in Cuan na Gaillimhe CNS because of a disability or 'special need'.

Parents are asked on the application form to list, detail and attach any reports/assessments/needs their child has had since the time they were born, or any concerns they may have about their child's behaviour or needs. The child's admission to the school may be deferred until the BoM has time to assess how the school could meet the needs specified in reports and until resources are in place to meet the child's needs.

Having received an application form, the school will meet with the parents, to discuss the child's needs and the school's suitability or capability in meeting those needs. The Board of Management of Cuan na Gaillimhe CNS through the principal, will request a copy of all the child's medical and/or psychological report/s. If reports are not available the Board will request that the child be assessed immediately. Reports are requested to assist the school in establishing the educational and caring needs of the child relevant to his/her disability or special education needs and to profile the support services required. Following receipt of the report, the Principal on behalf of the BoM will assess how the school could meet the needs specified in the report. If necessary, a full case conference involving all parties may be held. Following consultation and examination of reports if the BoM using balanced judgements, which are guided by the principles of natural justice and acting in the best interest of all children, deems that the school is unable to meet the needs of the child, it may decide to defer admission of the enrolled child until the resources the child needs are in place in the school, for example a ramp to allow wheelchair access. Every effort will be made to install the resources the child needs quickly in school with the intention of admitting the child as speedily as possible.

Where the Board deems that resources are required, the principal, on behalf of the BoM will apply to the Special Education Needs officer (SENO) for the resources required to meet the needs of the child as outlined in the psychological or medical report. These resources may include for example, access to or the provision of any or a combination of the following: teacher for special needs, special needs assistant, specialised equipment or furniture, transport services or other. The BoM in consultation with the DES may arrange home tuition for the enrolled child until the resources they need are available in the school.

Exceptions to this may be made if it means a child coming from another school would be entering in Cuan na Gaillimhe CNS a class below.

This criteria will be reviewed by the Board of Management annually.

2. It is preferable that there be no intake into classes during the school year and this policy shall be taken into account in all applications for enrolment as it is the view that such intake can on balance be disruptive.
